

ACE Workshop Invitation 20th May 2023

The Association for Church Editors invites you to its latest Editor Workshop being held at Keston Parish Church Hall, Keston, BR2 6HT from 10am to 3pm. There is a car park opposite the church and hall, otherwise the nearest stations are Hayes (Kent), Orpington or Bromley South. If you need further instructions about buses from there, please contact us.

ACE workshops are designed to give editors of church magazines an opportunity to share ideas and discuss any issues you may have about editorship or your publication. Please see the attached Timetable of the schedule for the day. We suggest bringing some copies of your magazine to swap with other people.

The Workshop will be run by two ACE executive committee members, a past Chairman of ACE and the Communications Manager for Rochester Diocese. Between us we have many years of experience producing magazines. We recognise there is no right or wrong way to design and edit a church magazine, but there are lots of ways we can all make them more readable and better suited for the purpose for which we are publishing them.

Tea, coffee and soft drinks will be available throughout the day. For the lunch break it is suggested that you provide your own packed lunch.

There will be a small fee to go towards the costs of the workshop- £5 for ACE members and £10 for non-members. Please make payments to The Association for Church Editors ACE with the reference Workshop. Sort code: 20 24 09 and Account No. 50503142 and email associationforchurcheditors@gmail.com to say who you are, which church you are from, what your publication is and how much you have paid.

Please email (as above) if more details are required or you have any queries. I hope that you and other members of your team will be able to join us at the ACE Spring Workshop which will hopefully be an informative and enjoyable day.

Best Wishes,

Sally Churchus
